RISK ASSESSMENT FOR AT RISKS STAFF GROUPS

Number of staff risk-assessed:	18 staff, 100%
Number of BAME employees:	13, 72% (Black, 9 Asian)
Percentage of staff risk assessed by staff group:	18 staff, 100%
Additional mitigation over and above the individual risk assessments in settings where infection rates are the highest:	Staff who were travelling into work on public transport had their hours adjusted to miss the rush hour. One of our GP's does not see any face-to-face patients due to her medical condition. Two of our GP'S are working from home due to their ages. Extra PPE was provided for staff including perspex screens for front desks.
