

OVER THE COUNTER PRESCRIPTION CHARGES FROM THE 1ST APRIL 2019

These charges apply in England only. In Northern Ireland, Scotland and Wales, prescriptions are free of charge.

- Prescription charge (per item): £9.00
- 3 month PPC: £29.10, this saves you money if you need 4 or 5 items in 3 months
- 12-month PPC: £104.00, , this saves you money if you need 14 or more items in 3 months
- If you will have 4 or more prescription items in 3 months, or more than 14 items in 2 months, you may find it cheaper to buy a PPC.

PPC's are available by 10 monthly direct debit instalment payments. These PPC's allow anyone to obtain all the prescriptions they need from £2.00 per week.
