

Covid Pharmacies And Vaccination Centres

If you live in Tower Hamlets, Newham or Waltham Forest and are over the age of 18, you can book yourself in, and sometimes walk-in, for your Covid-19 vaccination at over 50 vaccination centres in north east London.

It is really important you have both doses of the vaccine to give you maximum protection from Covid-19. You should book your second jab eight to ten weeks after your first dose.

Waltham Forest
